

## MINUTES OF THE MEETING OF SAHODAYA AHMEDABAD SCHOOL COMPLEX (Only EC Members)

Date: 12.02.2021

The virtual meeting of the **Sahodaya Ahmedabad School Complex** was held on Zoom platform on 12<sup>th</sup> February, 2021 at 4.00 pm onwards and hence decided to meet physically on 19<sup>th</sup> February at Podar International School, Chandkheda.

We have discussed following points

1. Grade 9th & 11th must have offline mode of exam (School can extend the date or may give separate schedule and space to particular students who are not willing to come physically to school)
2. Grade 10th & 12th offline preboard exams are already being conducted smoothly.
3. Main practicals in physics, chemistry, biology & computers of 12th to be focused and revised well. CBSE Board has given guidelines for the conduction of practical examinations and which should be followed strictly.
4. Membership fees and annual fees (1000+2000=3000) will be collected after opening bank account, as it requires some more days to have Franklin.

After collecting fees, we can Issue the membership certificate, for which DPS principal Mr. Atanu will be designing.

He'll also support in designing certificates, online SASC membership form & conducting sessions for teachers for trainings. (Mentor/Mentees Award of SASC will be given for leading trainers for their appreciation)

5. Every member School website should have link/popup which shows connection to SASC.
6. On website of SASC, the photo gallery should display each School's best activity, president message, vice president msg n secretary message.
7. Value education training sessions will be mentored by DCIS principal Shaji sir.
8. Face to face Discussion on question paper & Marketing Scheme for making a question bank for board students will also be there. (Google drive sharing)

In this, each School/ EC School can contribute as per their expertise.

We need to add more Interschool competitions, so suggestions for the same are welcome.

We need to freeze the common dates in activity calendar for upcoming year 2021-22 for such competitions/ Activity. Tentative dates for interschool Sahodaya fest for cocurricular activities is 14<sup>th</sup> August 2021 at Divine Child International School. 25<sup>th</sup> or 27<sup>th</sup> of January 2022 will be tentative dates for Interschool Sahodaya Sports meet at DPS Gandhinagar.
